

2016 CHRISTMAS NEWSLETTER

Message from Frances Craven - Tumuaki

Tena koutou katoa Maketu,

It has been another busy year for Maketu Health and Social Services. Thank you to the community of Maketu for your support and Tautoko throughout the year. Without community involvement and participation of the whanau we are privileged to walk beside, Maketu Health and Social Services would not exist.

I am very fortunate to have a dedicated passionate team of staff who give there all each and every day. Not only are they dedicated to the whanau we support, but also to the requirements of the Hauora.

Maketu Health and Social Services is also very fortunate to have a supportive trust board that support us in all aspects of the running of the Hauora.

To the community groups and the Maketu Kura - It has been a privilege to walk beside you all and have the open conversations that enable collaboration to work at its best! We look forward to another year of sharing and caring for the community as a whole.

To all the whānau out there - Have a joyous and happy Christmas! Be safe, look after each other and remember the saying:

'It takes a village to raise a child'
